- +3 if mission is Air Transport in home or friendly country.
- 2 Target hex is within 2 hexes of enemy Airfield or Installation or Naval Unit.
- 1 Target hex is in or adjacent to a hex containing an enemy Armor or Mechanized unit (Amphibiously Assaulting units do not count).

IMPORTANT:

When the Air Superiority level is in your favor or contested, all missions that begin and end in a hex in your home (or allied) country and do not enter a hex that contains or is adjacent to an enemy ground unit are *immune* from Air Defense Fire.

Abort:

Combat Support Missions: No Effect

Transport/Rebasing Missions: All aborted units are returned to their starting hex. Aborted Helos are rotated to reflect a mission flown. Airmobile Points are considered spent.
